**Tomlinson Equine Stallion Terms and Conditions**

Fresh / Chilled Semen within UK and Europe:

Stud Fee is payable before the consignment of semen is sent out. No foal free return (to be taken up during the following season). Collection and shipping costs are not included in the stud fee and are payable per shipment before semen is sent out.

Frozen Semen within Europe:

One full Stud Fee for up to 4 doses of frozen semen sent 1 dose at a time, payable before semen is sent out. Shipping and processing costs are not included in the stud fee and are payable per shipment before any semen is sent out. Refund of 70% of stud fee if no pregnancy achieved with 4 doses, or chilled semen can be used if requested and available. A refund will only be issued once a certificate of non-pregnancy is received and certification that any remaining semen has been destroyed or returned to Tomlinson Equine.

Embryo Transfer:

Full stud fee payable for the first embryo pregnancy plus one for each subsequent embryo pregnancy from the same mare (and stallion) in that year.

Frozen Semen outside Europe:

Semen is sold on a per dose basis. POA.

Resident Mares:

Those mares leaving the centre in foal prior to 60 days, the balance on stud fee must be paid before departure.

**I confirm that I have read and agree to be bound by the terms and conditions above.**
