Stud & Livery Services: Price List 2021

10% Prompt Payment Discount on all Tomlinson Equine Stud invoices paid within 10 days
Prices are shown at discounted rate & exclusive of VAT.

Mare Keep Charges:

- Group Grass Livery £8.50 per day
- Stable Livery with Individual Turnout £29.50 per day
(We provide standard straw bedding however shavings can be requested but will incur a surcharge)

Other Mare Charges:

- In Foal Fee (Charged to Resident Mares) £200
This fee includes all associated handling costs with veterinary work. If a mare leaves the stud prior to her 42 Day Pregnancy Scan, it will be assumed she is in foal and the fee will be payable prior to leaving the centre.
- Recipient Mare Hire £1850*
*33% discount available on recipient mare hire if mare left at Tomlinson Equine for the duration of the pregnancy, foaling, & weaning
(Long-Term Livery rates below)

Stallion Livery:

- Stallion Livery £33.31 per day
- Pony Stallion Livery £25 per day

Long Term Livery & Foaling Down:

We charge our long-term fees on an "all in basis" so that all routine costs are included in the monthly fee. Monthly package includes Grass keep, essential stable keep (for worming/foot abscess but not incl. foal watch), haylage as necessary, routine faecal egg counts, routine worming, routine foot trimming (foal, yearling & 2 year old farrier not included) as well as pregnancy scans for pregnant mares (when necessary). *NB increased livery charges are usually applicable around foaling and weaning.

- Long Term Group Livery (Summer – May to September inclusive) £300 per month
- Long Term Group Livery (Winter – October to April inclusive) £405 per month
- Foal at Foot Supplement (once weaned full livery charged per individual) £118 per month
- Foaling Fee * (Including Grooms Fee) £355
- Weaning and Handling Fee * £350
(This includes handling twice daily, with grooming care, walking out, lorry training, farrier training, and turnout training)

Vet Package Fees (payable to Tomlinson Equine Ltd)

5% Prompt Payment Discount on all Tomlinson Equine Ltd. invoices paid within 10 days
Prices are shown at discounted rate & exclusive of VAT.

Artificial Insemination Packages:

All fees include pre and post insemination scans, chorulon, insemination and routine pregnancy scans up to heart-beat detection.

- Fresh / Chilled Semen £235 per cycle
- Frozen Semen £340 per cycle

Embryo Transfer:

- Recipient Mare Synchrony £265 per cycle
- Uterine Flushing & Embryo Search £245 per flushing
- Transfer of an Embryo into Recipient mare £155 per transfer

Non-routine broodmare and donor mare procedures (such as uterine lavages & treatments) are carried out only when necessary, prices are available on request.

OPU / ICSI

We are now offering an OPU & ICSI service £POA

Stallion and Semen Costs

- Fresh Semen Collection / Pipe Clean £90
(Please note Specialist Extenders will be charged as extra)
