Haydons Oracle

Chestnut, Australian Stock Horse, 2015, 15hh

Polo Stallions

Murrabong Victory x Haydon Tourmaline

Haydon Oracle is the only fully registered Australian Stock Horse stallion standing in Europe. Oracle's grandsire, Haydon Drawn was the 3yo Champion Racehorse of Australia, before standing at Haydon Stud and becoming a prolific sire of champion polo ponies. The full sister to Oracle's dam is Haydon Angel Jewel one of Adolfo Cambiaso's top playing mares for over 10 years and winner of numerous BBP awards, including the Queen's Cup. Oracle's full sister, Haydon Victoriana, played in the Argentine Open, and he has other full and half siblings playing high goal polo and polocrosse worldwide.

Oracle possesses an exceptional temperament, and he is highly trainable and athletic. Not only is he living up to his bloodlines in his polo training, he also displays great potential on the flat and over fences, making him an attractive sire for breeding sports ponies and horses. Oracle is playing with Mark Tomlinson.

"Oracle is the most intelligent and cool-headed horse that I have worked with. He picks up training exercises with ease and is a natural at polo. He would also be a pleasure to produce in any other discipline." Jason Webb, Horse Trainer and Co-Owner.

"Oracle has an incredibly scopey jump; I would definitely recommend him for breeding small sports horses and FEI ponies" Camilla Kruger, 5* eventer
