

Tomlinson Equine

Stud & Livery Price List 2023 (payable to Tomlinson Equine Stud)

10% Prompt Payment Discount (PPD) on all Tomlinson Equine Stud invoices paid within 10 days

Prices are shown exclusive of VAT.

Mare Keep Charges:

PPD Price

Full Price

• Group Grass Livery (availability weather dependent Jan – April inclusive)	£9.90 per day	£11.00 per day
• Individual Grass Livery	£23.50 per day	£26.11 per day
• Stable Livery with Individual Turnout (We provide standard straw bedding, shavings can be requested but will incur a surcharge)	£34.75 per day	£38.41 per day

Long Term Livery:

We charge our long-term fees on an **"all in basis"** so that most routine costs are included in the monthly fee. Monthly packages include Grass keep, essential stable keep (for worming/foot abscess but not incl. foal watch or prolonged box rest), haylage as necessary, routine faecal egg counts, routine worming, routine foot trimming (foal, yearling & 2 year-old farrier not included). *NB increased livery charges are usually applicable around foaling and weaning.

• Long Term Group Livery (Summer – May to September inclusive)	£ 350 per month	£388.89 per month
• Long Term Group Livery (Winter – October to April inclusive)	£ 475 per month	£527.78 per month

Stallion Livery:

• Stallion Livery	£ 40 per day	£44.44 per day
--------------------------	--------------	----------------

Foaling Charges:

• Short-Term Foaling Livery - Stable Livery with Individual Turnout Mares staying for foaling on Short-term livery are charged a 'Foal at Foot' supplement once they have foaled at £2.90 per day.	£34.75 per day	£38.41 per day
• Stable Surcharge Mares staying for foaling on Long-term livery are brought in around 2 weeks prior to foaling each night and hence incur a 'Stable Surcharge' to cover extra associated costs.	£18 per day	£20 per day
• Foaling Fee * (Including Grooms Fee)	£ 400	£444.44
• Long Term Livery Foal at Foot Supplement (once weaned full livery charged per individual)	£145 per month	£161.11 per month
• Weaning and Handling Fee * (This includes handling twice daily, with grooming care, walking out, lorry training, farrier training, and turnout training)	£ 395	£438.89

Other Mare Charges:

• In Foal Fee (Charged to Resident Mares) This fee includes all associated handling costs with veterinary work. If a mare leaves the stud prior to her 42 Day Pregnancy Scan, it will be assumed she is in foal & the fee will be payable prior to leaving the centre.	£ 230	£255.56
• Recipient Mare Hire* *33% discount available on recipient mare hire if mare left at Tomlinson Equine for the duration of the pregnancy, foaling, & weaning (See Long-Term Livery Rates).	£2100	£2,333.33

These prices are to be taken in conjunction with the Terms & Conditions (available on request). Prompt Payment Discount shall only be applied to existing eligible clients with no outstanding balances.

Price list is correct at the time of printing (February 2023). We reserve the right to update the price list at any time.
