Tomlinson Equine

Proven 4* eventer, Britannia's Mail, is a "Brit Legacy" elite syndicated stallion by Olympic Show Jumper Jaguar Mail out of triple 5* winner, Olympic Medallist Headley Britannia. Britannia's Mail is stunning-looking, has three super paces, exceptional jumping technique and is incredibly bold, careful, sure-footed and quick across country. He is kind and affectionate and is a total professional at juggling his two jobs.

After twelve seasons eventing he continues to prove himself to be an outstandingly tough, sound and confident stallion who consistently produces extraordinarily rideable offspring with kind and trainable temperaments. He has successfully performed for a range of riders from young teenager to top professional. Britannia's Mail took 17 year old Ellie Fredericks from Novice to Advanced within one year and has produced fantastic results in the last four seasons, with top 12 placings in all bar one of his events.

Achievements 2023/22 include:

- Clear XC Bicton 4* in 2023
- 6th Cirencester Park Advanced 2023
- 10th Rockingham International CCI-S3* 2022
- 8th Thoresby Park International Advanced u25 2022
- 10th Cirencester Park Olu21 2022

With over 50 clears XC with Lucinda and Ellie Fredericks he has an incredible professional record. He finishes the 2023 season with 169 BE points. Britannia's Mail continues to be a popular choice of stallion, suitable for any type of mare. Frozen semen is also now available in the US and Australia.

Britannia's Mail has proven fertility rates producing over 140 offspring, with many breeders choosing him not just on competition performance but also for his genteel manner and suitability for riders at all levels. A number of progeny are coming through with some top riders and many more are competing at BE90/100.

Progeny of particular note are:

Britannia's Dynamite – Alice Casburn – competing at CCI-L2* (11th at Osberton 2023, won ON at Burnham Market 2023)

Born to Run – Rafael Losano – competing at CCI-L2* (18th at Le Lion 6yo 2023)
