Duval's Capri Sonne Jr is one of only two licensed stallions by Rhodium, giving him the world-famous grandsire Ferro, also known as Olympic Ferro, who won team silver at the 1998 World Equestrian Games, 1999 European Championships and 2000 Olympic Games. Ferro not only proved himself in the dressage arena but also as an outstanding sire; other grand-sons include Valegro and Uthopia who both participated in the 2012 Olympic Games achieving Team Gold.

Duval's Capri Sonne Jr has a superb competition record, including multiple placings a Grand Prix CDI3* and Grand Prix Special CDI4* level with his rider Laura Tomlinson, both internationally and in the UK. He is an asset to have on the yard both ridden and on the ground. With his kind temperament he is a part of the family and loves receiving attention from the children.

Capri Sonne Jr also has progeny on the ground in Germany – two of his 2015 progeny, Kapri Son and Hexagon Kaygo are competing at Prix St George level. His offspring are renowned for their temperament and trainability.
